*Dancing is a Performing Art.  
Many thanks for your invaluable support and  
here's to a great end of year show*

## *Please note – with regards to rehearsals*

- Please be ready least 10 minutes before you are required to dance, with everything done you may need that day ie. costumes, hair, make up. Please be warm before you are ready to dance, as you will perform your dance straight away.
- As a member of the LDA cast you are required at every rehearsal. If you have a clash with a good reason, you will need to let THE OFFICE and YOUR TEACHER know as soon as possible. If everyone misses one rehearsal each, we cannot rehearse our show properly, and you will be heading on stage unprepared.
- Perform your very best at every rehearsal, we want to get better every time!
- ALL TIMES ARE KEPT TO AS MUCH AS POSSIBLE. Please be understanding if we run late. A telephone will be available if needed. Please pick up children promptly.
- FIRST TIMERS – It can be a little bewildering at first but when you see the show you will understand why we go to so much effort. Please remain in dressing room at all times until called for the FINALE. *There is a meeting for new parents at the first dress rehearsal Sunday 12<sup>th</sup> November.*
- ONLY ‘MOTHER HELPS’ MAY OBSERVE REHEARSALS, no EXTRA children may attend rehearsals or be backstage.
- Do not leave any rehearsal without first checking with your ‘Mother Help’.
- NO RESPONSIBILITY TAKEN FOR CASH OR VALUABLES AT STUDIO, ROTOTUNA JNR OR CLARENCE ST THEATRE.
- For security reasons the stage door will be locked at various times
- Makeup – PLEASE DO HAIR AND MAKE UP AT HOME. Foundation, blusher and a bright red lipstick works well under the lights (not colourstay though please). Highlight eyes where possible – students with fair eyebrows need to emphasise them with pencil. Examples will be given out to Mother Helps, and available at the theatre.
- Please confer with Mother Helps about appropriate hair styles for individual costumes
- Please note no parental photos or videos may be taken during rehearsals or performances

## Season-sational: Parent Help for End of Year Show

### **Dear Caregivers – Please read carefully: We Need You!**

Our end of year show is an incredible opportunity for all our children to perform on stage. It is a fantastic event and every year we have a great team of helpers. We have put class lists up on the notice board in the kitchen at the studio. Please come in and put your name beside your child's class if you can help. We require **at least six** Mother Helpers per dance item. If you are unable to get in to the studio to volunteer please let the office know you are keen, and they can do this for you.

Six Mother Helps means there are at least two to help the dancers for each performance, and the rehearsals the week of the show (if you have more helpers that is welcomed especially with larger groups - max 8). We are aware that a lot of parents are working therefore may struggle with the mid-week rehearsals. Not all of the Mother Helps need to be at the rehearsals, therefore if you can liaise with each other to make a roster.

If it is your first time as a "Mother Help" come and join our team. The students need help getting in and out of their costumes, making sure they are ready to go on stage and arranging activities when they are not on stage at both the studio and backstage at the theatre. Plenty of information will be passed on to you through Mother Help packs and meetings, so you can know exactly what is going on and share with other dance parents.

LDA caters for a very large number of dancers therefore we need to keep this in mind when it comes to rehearsals at the theatre. **Please note - Due to fire regulations at the theatre unless you have signed up at the studio to be a Mother Help you will not be able to access backstage at Clarence St Theatre, including extra children.**

In regards to Mother Helps, we ask that no fathers or brothers be backstage, due to the fact the children are changing often. The Mother Helps have a busy job and this will be made easier if there are only dancers backstage. If you have a problem with access and need to contact your child please let Kaye know via the senior dressing room.

At the theatre the dancers will be required to sign in at the security desk (for OSH requirements) and make their way to their designated dressing room. The list at the desk will include Mother Helps as well as students therefore if your name is not listed you will not be granted entry (Mini Movement & Beginner Ballet parents are excluded as we acknowledge each child may need their parent). On the first day of rehearsals we will arrange for senior students to show the younger dancers to their dressing rooms so they know where they need to be.

We look forward to another great show and appreciate your assistance in making this run as smoothly as possible. We cannot do this without your help so thank you! It's a wonderful opportunity for our dancers to perform onstage in front of friends and family. The children really appreciate your help and you will enjoy meeting some wonderful people.

We are also looking for some helpers who can hand sew. Please add your name to the list on the notice board.

Many thanks,  
Kaye  
Back Stage Coordinator
